Professional Experience

Social Media Manager, KLAVE

KLAVE, an AI-powered beat marketplace | 2026 to present

- Run KLAVE's social media presence on Instagram, TikTok and X.
- Plan and schedule content for the platform's channels.
- Create graphics and short videos for posts using Canva and CapCut.

SIWES Intern, National Agency for Food and Drug Administration and Control (NAFDAC)

August to September 2024 and July to September 2025

- Supported administrative, documentation and record-management processes in a regulated laboratory environment while maintaining accuracy and confidentiality.
- Assisted with data entry, filing and document organisation to improve accessibility and meet standard operating procedures.
- Collaborated with supervisors and multidisciplinary teams to complete tasks efficiently and within deadlines.
- Prepared reports, organised work materials and kept accurate records to support daily departmental operations.

Financial Secretary (Treasurer), Arewa Community, Veritas University, Abuja

2025 to 2026 academic session

- Managed financial records and documented income and expenditure accurately.
- Recorded member payments and supported transparent financial reporting.
- Assisted in budget planning and monitored funds for responsible financial management.
- Worked with community executives to coordinate financial activities and events.

Campus Ambassador, Cowrywise

2025 to 2026

- Promoted financial literacy through campus engagement and digital communication.
- Represented the Cowrywise brand in student outreach, building awareness and participation.
- Created and shared digital content to increase engagement across student communities.
- Collaborated with fellow ambassadors on campaigns, events and community building.

Project and Practical Experience

Virtual Assistant and Administrative Support Projects

- Managed email correspondence, organised inboxes and maintained professional communication.
- Scheduled calendars and appointments and coordinated daily administrative tasks.
- Kept structured digital filing systems in Google Drive and Google Workspace.
- Conducted online research and prepared documents, spreadsheets and presentations in Microsoft Office and Google Workspace.
- Tracked tasks and prioritised assignments to improve workflow efficiency.

Canva Graphic Design and Video Editing

- Designed branded social media graphics and marketing visuals in Canva, keeping a consistent visual identity.
- Edited short-form videos in CapCut with captions, transitions and music, exported for different platforms.

Travel Planning and Research

- Planned itineraries covering transport, accommodation and activities, based on client requirements.
